Dear Friend,

Thank you for contacting me in support of H.R. 2460, the Healthy Families Act, introduced by my colleague Congresswoman DeLauro, a bill, as you know, to provide seven paid sick days to every American worker to keep them from the unhealthy choice between their health or their families health, and their jobs.

I agree with you that too many workers in this country are denied paid sick days and hard working American families should not be putting their livelihood at risk by sacrificing their paycheck for recovering from an illness or caring for a sick child.

I have therefore signed on as a cosponsor of this legislation, and I will be working with my colleagues towards its passage by the House. Thank you again for contacting me.

Sincerely,
